

# Snohomish County 4-H State Equestrian Team Jacket Embroidery Prices

## **Name / Horse's Names:**

\$6.50 for one name, limit 10 characters. Additional lines \$5 ea. limit 10 characters per line. Long registered names may need to be broken up into multiple lines due to space considerations.

## **Small Designs on front:**

Horse or Horse Head (see website for pictures): \$15 & up depending on amount of customization.

Horse Head + Name = \$20. Multiple Horse Heads + Names = \$18 ea.

Custom markings by quote after we see a picture. Embroidery will be close but not exact.

Additional Small Lettering (years added, titles, more names, etc.): \$5 and up per location depending on word length & location. Metallic thread extra and not recommended for small lettering.

## **Larger Lettering / Lines across Back:**

\$20 for first line, \$15 for each additional line added underneath at the same time in the same hoop.

## **Medium Lettering / Lines:**

\$15 for first line, \$10 for each additional line added underneath at the same time in the same hoop.

## **Smaller Lettering:**

\$10 for first line, \$7.50 for each additional line added underneath at the same time in the same hoop.

## **Sleeves:**

\$10 for first line, \$5 for each additional line or medal added underneath at the same time in the same hoop. If we have to use 2 lines for a "header" such as Intermediate Showmanship, we'll usually charge as if it's one line due to limited width. Application is limited depending on size of sleeve and how far we can get the hoop on to fit into the embroidery machine. Medals are done in metallic block lettering. "Headers" can be any choice of thread color or font.

**Other Locations** by Quote. Pricing can vary since all jackets are unique and individual. Space is limited on these jackets, so it is wise to set your goals for achievement and plan accordingly for what and where you might add lettering in the future.

We line things up to the best of our ability, but when adding to existing lettering, we cannot guarantee perfect alignment due to previous hooping and possible fabric distortion.

## **WHEN YOU BRING YOUR JACKET IN** *(Minimum Charge is \$20 per time):*

\* Please make sure that it is CLEAN, and that your pins are removed. Please empty your pockets.

\* Have an idea of what you want, where you want it, and what font and thread colors you like. Print out the Jacket Planner Form and make some notes. Due to our schedule, we are happy to spend up to 15 minutes to go over your order with you. After that, we will charge "design time" of \$25 / hour to help you figure things out. We really do love working with you, but are mindful of our shop time costs. **(Note to parents:** this is the member's jacket, and will be a special memento of their achievements. Please allow them to make their own decisions regarding what they think will look best. Trust them— they usually know!)
