

We are working on making this an interactive form that does the calculations, but for now this can manually help you roughly figure out price per item based on prices quoted or listed on the respective pages for screen printing and embroidery.

Flyin' Lions "Price Guesstimator"- This does not include discounts, additional options, extra charges or tax
See Screen Printing page for printing price chart, and embroidery page for embroidery prices

Item Number	Description	Screen Printing		Embroidery- actual price TBD			Approx. Price Ea. Before Tax
